Symbol of Change, Life's dynamics

Every situation in life is temporary, and change is the only constant thing. Good morning and bad times are not permanent, and this symbol encourages people to recognize and appreciate this pattern in life. Everyone should be supportive of one another and remain hopeful in all their endeavors.

That is your enemy people -- not me.

This is the ENEMY of the HATERS IDEALS AND PHILOSOPHY that has FAILED SERIOUSLY!!

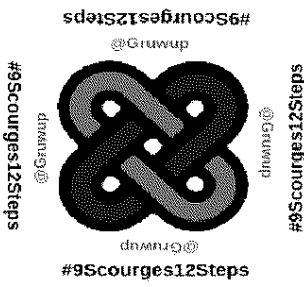

You have to give up the hate model. It is absolutely an illogical ordeal.

There is no way of the current era of PUBLIC DEBATE on the UAP / UFO report that the Department of Justice had to report to Congress in June. To not put that into perspective and to remain in a WHITE ONLY provocation. And with such a plan working on your side of considerations, it works to our best human presence on Earth -- not!

The issue at hand must be brought into consideration. There is no other choice but to acknowledge the truth, the indisputable truth, and nothing but the truth.

Do you believe in GOD?

Do you believe in GOD?

YouTube Search [Luis Elizondo]

It is evident that observance of the activity in the sky is from OFF EARTH SOURCES -- and you have to ponder and deep deeply consider your HATE AGENDA that has been installed in LAW ENFORCEMENT to be CRITICALLY FLAWED onto the matters --

When you take and answer this in honest, truthful considerations.

The UAP/UFO report from the Department of Defense in June was real. Although it did not go all of the ways and say yes, we are being visited by Extra-Terrestrial Intelligence Beings, it is the only conclusive option when you consider all the matters at hand.

It is the only possible thing that it can be.

So;...

If we do have, in fact, visitors from another kind of technology that humankind source can not make, then would it be possible that these are meetings of air space of beings that are true of higher intelligence to be our GOD that created humanity on Earth?

Or at least messengers of GOD?

The possibility is there, and that is what I believe. I believe they are, in fact, of GOD SOURCE and what I do here and what you do there.

Would God really -- be proud of your ideology allow you to hold that for the future of all?

The acts that seem to be part of the LAW ENFORCEMENT Secret. Are they suitable for our collective humanity?

Would you be looking to redeem yourself in the eyes of such a meeting and/or when we might have the opportunity to have some connection and communication with these life force beings visiting our Earth?

I know they have focused on our human inventory of Nuclear Weapons across almost all of the different governments that have this capability. They have disabled them for long durations, obviously to communicate a message of disapproval.

And what about current affairs -- ??

The idea is that on January 6th, 2021, there is a faction of people involved ideologically that puts them engaged in the United States Capitol Insurrection and to take over this government.

If white supremacy is the uniting factor in all of this, including what is embedded in LAW ENFORCEMENT -- Reports 50 years of Deputy Gangs in the Los Angeles Sheriff's Department --

You there in the Sheriff's Department Command Staff Down in Williamson County, instead of operating a correctional facility, you are working a HATE INCUBATOR -- and it is definable.

I observed it plain and simple.

That means that hate is what has infiltrated to that BLUE CODE thinking under the roof that you think nobody is watching.

When I got back to my California home, I found the news reports of the under-pitted chaos under your command.

DEPARTMENT

Even if you think the superior of life is white, how do you think that can compare to living beings of higher intelligence that are from outside our earth and seen in the sky visiting us?

How can you reconcile that conflict of holding and keep what you do alive and running?

You have to find some introspection and change your mind and heart of what truth you hold --- it can not be the truth you mold onto all of us.

We MUST MOLD OUR WORLD AROUND the TRUTH. There is higher intelligence life, and their presence somehow, even by drone, is visiting us. Why they do not communicate with us is because we HATE on EACH OTHER too much.

Try to love thy neighbor --- and try mightily to talk to them as I do and bring forward.

Awesome Kramobone Playroom School,

An Adult Consent Thought And Practices Resource

<http://AwesomeKramobonePlayroom.School/BasicHumanNeeds/>

Dear Williamson County Sheriff, My name is James Martin Driskill. I am a former inmate of the Williamson County Georgetown Jail. I have some very important and disturbing items to report what I had observed in my 58 day stay. Matters I am reporting must be taken into review and made corrected. I will not accept any barriers that break that resolve. These matters were placed into the written record on the information system tracking provided by SmartJailMail. Anyone is welcome to look up what I placed. Inmate Booking# is 21-192333. Written Out both to staff through reequests and to my family in email. The circumstances I observed are considered extremely serious and disturbing. The jailhouse building facility has been modification outside of orginal operation specification. The purpose to which these modifications have been made of a future time plan is sinister and dangerous to deductively conclude. This matter can not be ignroed. This matter can not be tollerated to continue one moment longer than humanly possible to fix. The modifications made are intentionally malicious of a use for future time. As it sits now, would FAIL INSPECTION of the FIRE PROTECTION system. Outrgous! A Hate Incubator is What You Are Operating!
